

DeCarolis Design & Marketing Makes Top Agencies List Again for 2010

BtoB Magazine Names “Best BtoB Shops in the Business”

San Jose, CA. March 23, 2010. [DeCarolis Design & Marketing](#), a full service agency located in the heart of Silicon Valley, has been named among the top agencies in the U.S. for the second year in a row by BtoB Magazine.

Once again the only San Jose based agency to make the list, DeCarolis is in the small agency category with 22 employees. DDM provides consulting & strategic planning, concept development, graphic design, copy writing, multimedia, web design & social media services for a broad range of BtoB clients.

“We are honored to being added once again to BtoB’s list of top agencies,” stated Vince DeCarolis, principal and founder of DDM. “We measure success by the return on investment that our clients receive through effective, compelling marketing campaigns.”

BtoB’s annual top agencies list spans the full range of marketing shops: large, medium, small and interactive. The magazine’s editors pick those “which orchestrated the most challenging, inventive and effective campaigns.” Special achievement awards are given in each size category.
